

FINANCIAL AID MATTERS

FOR EAP GUIDE

Applying for UCSB Financial Aid

To receive UCSB financial aid for your EAP program you must have FAFSA (Free Application for Federal Student Aid) or a DREAM Act Application on file. Applications are available online starting October 1st and should be completed by the March 2nd deadline. Students who submit their FAFSA after the deadline will have limited eligibility for aid. If you have already submitted your application and have an award letter you do not need to submit any additional applications.

The FAFSA is available at
www.fafsa.gov

The Dream Act Application is available at
www.dream.csac.ca.gov

Financial Aid Eligibility for EAP

Financial Aid recipients will have their federal, state, and institutional aid apply to their UCEAP costs. Exception: Work-Study cannot be used during your study abroad and will automatically convert into additional loans.

Blue and Gold Opportunity Plan	A Financial Aid Initiative for University of California undergraduate students. Eligibility is determined by the Expected Family Contribution (EFC) that is produced from the FAFSA.	Up to \$5,920 a year. Scholarships	Program Details	Eligibility	Terms
Office of Financial Aid and Scholarships Awards	All students that submit the Free Application for Federal Student Aid (FAFSA) each year by the March 2 priority deadline are considered for scholarship support. There is no other application that needs to be submitted. Because of limited funds, almost all scholarships, including restricted scholarships (e.g.: specific backgrounds, academic interests, career objectives, etc.), are awarded to continuing students that have done very well academically at UCSB. Additionally, all Financial Aid and Scholarships are awarded on the basis of need. None are awarded solely on the basis of merit.	New students tell us about their criteria that might meet specific restricted scholarship requirements when they complete the "Scholarship Opportunities" section in Step 2 of the online admissions application or the equivalent section of the paper admissions application. During that process, they are asked to review a list of eligibility characteristics and check off those that apply to them. These characteristics remain part of the students' financial aid application records for future years' scholarship consideration.	Financial Aid applicants are reviewed for scholarship eligibility at the time their other aid eligibility is determined; thus, scholarship eligibility will be posted on their Financial Aid Award Letter along with other aid for which they qualify. All awards are subject to the availability of funding.
Regents Scholarship	The Regents Scholars selection committee conducts a comprehensive review of the applicant pool to determine the student's strength and breadth of academic preparation. Selection is based on a thorough review of the admissions application, including, but not limited to, test scores and grades.	To be eligible for the Regents Scholarship, you must be a U.S. citizen, permanent resident, a non-citizen student qualifying under California Assembly Bills 130 or 131, or an international student with outstanding academic qualifications. Only students who fall under these categories are eligible for the Regents Scholarship.	Regents Scholarship decisions are mailed in mid-February each year. All decisions are final; appeals are not considered for Regents Scholarship decisions. The Regents Scholarship is a prestigious award for incoming freshman whose UC application shows outstanding academic achievement.
Departmental Scholarships	The University of California, Santa Barbara has a variety of scholarship opportunities. While many scholarships are administered by our office, some are available through other campus departments.	For some programs, there is no application process, and the recipients are selected on the basis of criteria already available to the university. Loans	Program Details	Eligibility	Terms
Direct Subsidized Loan	Funds for the Direct Loans are provided by the U.S. government directly to students. These loans have low interest rates and do not require credit checks or collateral. Under the subsidized loans, the government pays the interest while students are in school. To receive a subsidized Direct Loan, you must be able to demonstrate financial need.	To apply for either the subsidized or unsubsidized Federal Direct Loan, you must: <ul style="list-style-type: none"> • Apply for Financial Aid • Accept your Federal Direct Loan through My Aid Status • Complete a Direct Loan Entrance Interview • Complete a Master Promissory Note 	Up to \$5,500 depending on grade level Many students combine subsidized loans with unsubsidized loans to borrow the maximum amount permitted each year. Direct Unsubsidized Loan	Funds for the Direct Loans are provided by the U.S. government directly to students. These loans have low interest rates and do not require credit checks or collateral. With unsubsidized loans, students pay all the interest, although they can have the interest payments deferred until after graduation by capitalizing the interest. This adds the interest payments to the loan balance, increasing the size and cost of the loan.	To apply for either the subsidized or unsubsidized Federal Direct Loan, you must: <ul style="list-style-type: none"> • Apply for Financial Aid • Accept your Federal Direct Loan through My Aid Status • Complete a Direct Loan Entrance Interview • Complete a Master Promissory Note 	Up to \$20,500 (less any subsidized amounts received for same period), depending on grade level and dependency status. UCSB Loan	For undergraduate students with exceptional financial need; must be repaid to school that made the loan; 5% interest rate.	The UCSB Loan is awarded to undergraduate students who are considered on-time FAFSA applicants and who demonstrate sufficient financial need. Undocumented Students	Although undocumented students may qualify for a tuition exemption under AB 540 legislation, UCSB cannot provide any federal funds to undocumented students. Graduate PLUS Loan	Federal legislation permits graduate students to borrow through the PLUS (Parent Loans for Undergraduate Students) Loan program. The Graduate PLUS Loan allows graduate students to borrow up to the full cost of education minus other Financial Aid received.	You will apply for the Graduate PLUS Loan at StudentLoans.gov. In order to log into the website, you will need your social security number, date of birth, federal student aid PIN, and your loan eligibility.	Maximum amount is cost of attendance minus any other financial aid student receives. The interest rate is fixed at 6.41%. Interest begins accruing as soon as the first disbursement is made. Payments on the Graduate PLUS Loan are deferred while Graduate students are in school as long as they are enrolled at least half-time.
Alternative Loans	Alternative loans (also known as private loans) can help to fill the gap between the cost of education and the amount of other Financial Aid offered. These loans are provided by private lenders for those students who need to borrow funds in excess of the yearly maximums for the federal loan programs.	In order to receive loan proceeds; you must apply to the lender directly. Most lenders will take applicants' credit history into consideration when evaluating applicants' eligibility. Students and/or parents may be eligible for these alternative loans which have varying criteria (interest rates, minimum monthly repayments, etc.). They are not federally guaranteed student loans.	Students have the right and the ability to select the alternative loan lender of their choice (http://tinyurl.com/UCPrivateLenders). We highly recommend that students exhaust their federal Direct Loan eligibility before pursuing funds through an alternative loan. Also, be aware that parents of dependent students are able to borrow up to the complete cost of education through the federal Direct PLUS Loan program.

Subject to Change Notice

Due to the nature of federal, state, and institutional guidelines affecting financial aid programs, the information contained in this publication is subject to change.

Awarding of Financial Aid

Your enrollment in UCSB UCEAP is considered enrollment at UCSB so your financial aid award will cover your full cost of your UCEAP program. The program cost consists of tuition, housing, airfare, books/supplies, transportation, meals, and personal expenses. Financial aid will not cover leisure travel or expenses nor are they included in the program cost. Currency conversions are taken into account in your award. In general, if your EAP budget is higher than the UCSB budget, you will be offered more loans to cover the increase in cost. If your EAP budget is less, you will receive less financial aid.

The UCSB EAP office will notify OFAS that you are participating in EAP. OFAS will then package you for your program and you will receive your new award letter no sooner than one month prior to the start of your program. You will receive notification of your new award letter via email.

MyEAP ACCOUNT

Your MyEAP account is a separate account from your BARC account. You can view your UCEAP program fees, accepted financial aid reported to UCEAP, balance, and refunds. By default, if you receive a refund, you will receive it in the form of a check sent to your U.S. address. Having direct deposit in BARC does not link your bank account to your MyEAP account. You will need to set up direct deposit with your MyEAP account

separately. Private loans, Parent Plus Loans disbursing to the borrower, and some private scholarships will not be reported to UCEAP. Private loan checks are generally sent to BARC. You are responsible for making arrangements and informing yourself of your lender's requirements.

FIRST PAYMENT DEADLINE

Financial Aid Recipients will have their first payment deferred to their second or final payment due date. The late payment fee will be assessed and a late fee notice will be sent from UCEAP. The first late fee will be reversed once your financial aid is disbursed. By your second or final payment deadline, your balance should be paid in full in order to not incur a late fee.

HEALTH INSURANCE

During your participation, you are enrolled in UCEAP insurance. However, this does not qualify as a major medical coverage according to the Affordable Care Act guidelines. Students are automatically enrolled in health insurance at UCSB and charges are posted to your BARC account. If you have sufficient coverage from a private insurance you can waive the UCSHIP insurance at www.studenthealth.sa.ucsb.edu.

THIRD PARTY ACCESS

UCEAP requires your permission to discuss your account with others. By law under the Family Educational Rights and Privacy Act, UCEAP staff cannot discuss your financial information with anyone other than you—not even your parents—without your written permission.

If you want to designate someone who can discuss your financial matters with UCEAP and make payments on your behalf, complete the electronic form located in your MyEAP account.

In addition you will need to submit a Consent Form to the OFAS. The Consent to Release Form is located in the Forms Tab of our website: www.finaid.ucsb.edu.

DISBURSEMENTS

UCEAP Student Finance will distribute financial aid disbursements during your study abroad. The OFAS will notify UCEAP of your financial aid award. Grants and other accepted aid, such as direct loans, will be reported. However, accepted loans without the mandatory requirements completed will not be reported. Your financial aid will be applied to your MyEAP account. The UCEAP program fees will be deducted from your financial aid. If your financial aid is less than your program fees you will be responsible for paying the remaining balance. If your financial aid exceeds your program fees you will receive a refund no sooner than 10 days before the start of your program.
