Dear UCSB Community,

The Office of Financial Aid and Scholarships would like to make you aware of our winter quarter financial aid disbursement schedule. Due to the impacts of the Thomas Fire and a later start to winter quarter, students cannot expect any eligible refund to credit their personal bank accounts until January 2nd at the earliest, with the possibility of delayed funding through January 9th.

We understand that this situation will pose challenges for many students dependent on financial aid to pay their rent. We want to be clear that students have no control over this delay and we are writing this letter so that the community is aware of these circumstances. We encourage students to explain these circumstances to their property managers by providing this letter and a copy of their financial aid award letter.

For students unable to pay rent until financial aid becomes available, we ask that property managers consider these factors when determining any late charges or other penalties.

Please feel free to contact our office at (805) 893-2432 if you have any questions about this.

Thank you for your time.

Sincerely,

A handwritten signature in cursive script, appearing to read "MM".
