The Scholarships screen has several tabs that you review:

- Matches - List of scholarships that the student has met all of the matching requirements

- Pinned - List of scholarships that the student has pinned to their account using the button on an individual scholarship listed
- Partial Matches - List of scholarships that the student has met at least one requirement, but not all of the matching requirements
- Application Submitted - List of internal scholarship applications a student has submitted
- Awarded - List of internal scholarships for which the student has been awarded
- Non-Matches - List of scholarships for which the student does not meeting the matching requirements
- Not Interested - List of scholarships that the student has marked themselves as not interested in by using the no symbol on an individual scholarship

To read more about the scholarships, click on the “View” button. To open the scholarship website in a new tab and apply directly, click the “Apply” button.

You can save scholarships to review later, review scholarship statistics, or mark scholarships as “not interested” through the buttons on the right of each scholarship.

Updates to questions can be made on the Questions tab on the left side menu. Answers may be locked based on information from your student record. On the questions tab, you can also continue to answer questions, by clicking on the “Answer More Questions” box in the top right corner.
